Alegre Beach Resort is an Internationally known five star resort, close to the charming town of Sogod on the northeastern coast of Cebu. Alegre's cottages are set in lush tropical grounds many of which offer ocean views and private gardens. The resort boasts a coconut grove, and three private beach coves. Diving is a popular pastime and the house reef offers a 100 ft. wall dive.

Perched above Cebu's most spectacular natural and uncorrupted white sand beach, Alegre Beach Resort offers its guests friendly, unobtrusive service in an idyllic tropical location. Upon arrival, the reception area offers uninterrupted views over the spacious swimming pools to the islands in the east set in delicious turquoise bluewaters. Accommodations are surrounded by lush gardens and comprise of twenty elegant, tastefully designed Filipino-spanish inspired cabañas with native thatched roofs, each of which includes two spacious bedrooms, oversized bathrooms and private verandas. Minibars, cable television and in-house movies, hairdryers, personal safes, coffee and tea makers, airconditioning and many other facilities expected of a world class resort are all included.

Pamper yourself with comforts and luxuries meticulously created by people who care. In air-conditioned cottages replete with amenities seldom found elsewhere.

Adjacent to the pool, the Pavilion Restaurant and Lounge Bar offer a choice of airconditioned or alfresco dining where a variety of native and international dishes are available. Alegre also prides itself on the preparation of freshly caught seafood.

On the beach coves -- relax beneath swaying coconuts trees. For the more energetic, our aquasports area provides snorkeling, diving, jetskiing, windsurfing, kayaking and the housereef. For the adventurous and romantics: diving and island hopping to beautiful islands whose natural beauty is a source of pride for the inhabitants and the resort. Other resort facilities includes tennis court, putting green, game room, library, conference room and banqueting.

One can also indulge in bird watching, mountain biking and trekking in the rural countryside and to observe flora and fauna endemic to limestone areas. The late afternoon is punctuated by a relaxing cruise with a chance to see dolphins.

Looking at the stars on a clear night sky is also a satisfying experience. We offer one unique and enchanting atmosphere, which only our discreet and elegant resort can provide. An oasis of calm in hectic daily life. We pamper our select clientele with comforts and luxuries meticulously crafted by people who care. At Alegre Beach Resort, guests lose themselves in the enveloping arms of nature ... its scents, stunning colors, lyrical sounds right outside their very doors.

Alegre offers various activities to suit each guest's mood or preference... A golfgreen, gameroom and library, a tennis court, an orchid farm, for trekkers, there are itineraries to choose from...

Alegre Beach Resort is approximately 75 kilometers from Mactan International Airport. Transfers can be arranged and are free of charge. On the way to the resort, one sees the island's rich cultural history through picturesque houses and old Spanish churches.
