SUGOT KA BUA KON ANG ATONG SUGBO?

Three Cebu congress members have been attempting legislatively for four years to divide Cebu into the following three provinces:

Cebu del Sur, Cebu Occidental and Cebu del Norte (and more recently Mactac Province!)

As expected, two intends to become the governor of their respective "new Cebu".

Let your proud SUGBOANON! voices be heard!

no they shouldn't divide Cebu. ngano man unahon nila na kaysa mga kinahanglon sa atong city??? its already been like that for centuries. wag nilang i divide. unahin nila probs ng mamamayan natin jan. isa tayo sa mga less developed countries kailangan nilang pagtuonan ng pansin muna ang kailangan ng mga tao.... hindi ung mga hindi masyadong importanteng bagay. ano bang mapapala kapag dinivide ang cebu??? pangit tingnan....:angry:

Nisulti na ang kinabag-ang mga Sugbua-anon niadtong miaging eleksyon ug klaro kaayo nga wala gyud mahimuot ug moangay sa ilang pagplano pag-buakbuak sa Sugbo. Giparotan gyud ang mga exponents sa Sugbuak!!! Wala kadaug ilahang mga kandidato pagka-Gubernador, ug ang mga Congressman para sa 3rd, 1st ug 5th district. Haha...mirisi!!!

hello everybody... just call me by the name anim. supak ko sa pagbu-ak sa sugbo. kay ngano dili pa ba sila contento sa usa ka SUGBO? in my own opinion kaning mga congressman ug congresswoman are only try to make their ass more wider and bigger, sinc they cannot get the heart of the cebuano people and their colleagues as well. i think they so desperate that they come up with the idea of dividing cebu.

for me they are not a true blue world class cebuano, ONLY wanna bees (buyog) sorry but i know some of their nieces and nephews but no offens lang ha. GET A LIFE!!! dont let your political ambition get you into the frying pan...

to the proponent of this idea in dividing our CEBU, i think you have gone MAD and CRAZY....

bau lang dont serve your personal interest first oi...

cge lang when i will be President someday i will imprisson you bisay 70 anyos namo anang panahona.....

Supak ko.

Walay tarong ug klaro nga rason ngano ila buakon ang Sugbo. Kung ila pa lang unta tang tagaan ug ensaktong rason hayon manugot gyud ang mga taw. Pero ang raSON nga atong makita ug nahibaw-an na mao ang ilang mga personal nga rason. Ang ilang mga pangandoy. Self-advancement. Selfish reasons. Kaysa mag-usik sila sa ilang panahon pagcchop- chop sa Sugbo, dapat nila tagaan ug atensyon ang mga nagkinahanglan. Ila buhaton ang ilang katungdanan. Katungdanan sa pagserbisyo alang sa kalamboan sa katawhan ug dili sa ilang kaugalingong kalambuan.

i tenk u. bow.

it is a very obvious display of the greed and corruption this country has in it's government system. improving the economic status and public welfare is clearly not the primary objective of the "politicians" involved in this issue. it's ridiculous how this is even being "considered" by the government. These people are just looking for a quick rise to power and of course, the money that comes with it. Cebu is one of the fastest growing provinces in our country. It is now being dubbed as the Second Manila. Obviously, there's nothing wrong with cebu. This is where that famous quote is very very applicable. "if it aint broke, don't fix it! "

thanks for the space to air out my opinions. keep up the good work cebuconnection.com

first of all guys lets not be tooo negative about it. maybe not all of us understands WHAT SUGBUAK IS, WHY ARE thy THINKING OF SUCH, WHATS THE RATIONALE. i think the best thing is to be open minded about it, ask ngano? unsa mani? para asa ni? we cant say if its good or bad until we get the whole scope of it. my point is, lets not react right away without the full info about it.

What is wrong with the Cebu that we have now? Why divide it? What for? If the only reason why we have to break it apart is because officials have a problem with each other then why not just change the officials? Instead of building new issues why can't they just resolve the older ones and get on with it? Keep Cebu the way it is!!! Improve it but don't break it apart!!! This will just create further competition, build grudges and create more positions for corrupt and greedy officials.

Re:Sugbuak

our officials have decided thinking everything thoroughly for the benefits of their pockets. if so happens that sugbuak will be approved, the lead officials will take hold of the budget of the land he is elected in. ppl are just plain greedy to let this pass. i say no to it. i can only imagine that one day, from corner to corner, it will be another district. bisag pwede rang malakaw, lain nang distrito. what a foolish proposition this is!
